S.NO	SUGGESTIONS	ACTION TAKEN
1	Extra courses can be conducted to update the students with respect to the need.	As suggested by students Institute time to time has planned and conducted different add on courses like Course on Ms-Excel, Python, SPSS to make the course more industry oriented
2	Address the concern for practical learning	It was seen that students are more concerned about practical learning and so to help them teachers deliver their lecture by giving more of live examples, case studies to connect the topic with the current national and international events
3	Rectification of the ineffective syllabus	To make the syllabus more relevant, teachers and institute planned and organised more seminars/webinars/conferences/workshops to provide more opportunities for interactive sessions with experts
4	Self employment opportunities can be created	Entrepreneurial intent should be created among students organising programs on Entrepreneurship and interaction with Founders of start-ups
5	Concentration needed on the professionalism of the students	More programs are introduced by placement cell for creating professional attitude of the students
