## ACTION TAKEN REPORT

### Student Feedback 2020-2021

Stakeholder		Students
No: of responses		1023
S.NO	SUGGESTIONS	ACTION TAKEN
a.	Extra courses can be conducted to update the students with respect to the need.	As suggested by students Institute time to time has planned and conducted different add on courses like Course on Ms-Excel, Python, SPSS to make the course more industry oriented.
2.	Current issues and real life incidents can be narrated to the students.	It was seen that students are more concerned about practical learning and so to help them teachers deliver their lecture by giving more of live examples, case studies to connect the topic with the current national and international events
3.	Continuous assessment is required to assess the students.	It was decided and implemented to give assignments, mcq's, class tests and presentations slots to students so that they can be judged fairly on internal evaluation parameters
4.	Books of the passed out students can be circulated to the present students to minimize their financial expenditure.	Students have the option to avail the book bank facility from the library for each and every semester so that they can have appropriate books to revise and read the concepts
5.	Additional efforts needed for the increase in the effectiveness of the teaching learning process.	To increase the teaching learning experience workshops, industrial visits, webinars and conferences were arranged time to time by the institute
